SEPTEMBER 4TH

Join us on September 4, just before the Conference Dinner, for this unforgettable moment at Cabo Girão, suspended between sky, sea, and cliffs.

With its iconic glass skywalk and breathtaking views from 580 metres above the Atlantic, Cabo Girão is one of Madeira's most visited landmarks — and you'll get to experience it as part of the WASTES 2025 social program.

Participants registered for the Conference Dinner will be automatically included in this activity.

SEPTEMBER 5TH

Join us for a guided visit on September 5 at 3:00 p.m. to the Solid Waste Treatment Facility (ETRS) at Meia Serra, operated by ARM – Águas e Resíduos da Madeira, S.A., as part of the WASTES 2025 social program.

A highlight of this visit is the Municipal Solid Waste Incineration Plant, which enables the thermal treatment of unsorted waste and generates electricity for the public grid.
